3 · WHAT TO DO NEXT

What to do next

The plan distinguishes the application already pending from any future alternative. Do not repeat application submission steps for the pending route; follow only the cards that match the route and stage shown.

1 Address the pending case

1 STEP

Deal with points that may affect the application already submitted.

01 **Confirm which assessed route the pending case concerns**

All routes

Check the application receipt or case details and confirm which assessed route is already pending before following route-specific instructions.

NOW

Applicant

Complete when: The pending application route is confirmed from the official application receipt or case details.

2 Keep supporting evidence ready

Prepare documents that may still be needed for the pending case or a future alternative.

Passport requirement

You need a valid passport when applying. Your permit can never be granted for longer than your passport is valid.

3 While the application is pending

3 STEPS

Monitor the case and respond promptly to any official request.

02 Present your passport if instructed

All routes

If digital passport verification is unavailable or unsuccessful, follow the instructions for an in-person passport check at the Swedish embassy, consulate or Migration Agency office specified for your case.

IF NEEDED

Applicant

Complete when: The passport has been presented through the channel specified by the Migration Agency.

03 Monitor the EU Blue Card application

EU Blue Card

Track the case and respond promptly if the Migration Agency asks the applicant or employer for more information, documents, passport checks, or biometrics.

LATER

Applicant and employer

Complete when: The case is monitored and every official request is answered accurately by its deadline.

04 Monitor the work-permit application

Swedish work permit

Track the case and respond promptly if the Migration Agency asks the applicant or employer for more information, documents, passport checks, or biometrics.
